- a) 344743 10% cumulative convertible redeemable preference shares of ₹50 each; and
- b) 1,000,000 13.5% cumulative redeemable preference shares of ₹10 each.

As part of the Company's financial strategy and in light of its operational requirements, it is proposed to:

Amend the conversion rights attached to the both classes of preference shares, modifying them into non-convertible redeemable preference shares as per the terms given below:

1. 10% Cumulative Convertible Redeemable Preference Shares (CCRPS):
344,743 shares of nominal value of ₹50/- each shall be redeemed for a full and final settlement amount of Rs. 53/- per share.

Rationale for the Proposal

The proposed variation in rights is intended to align the Company's financial structure with its current operational requirements and market conditions.

Conversion of the convertible preference shares into non-convertible preference shares will simplify the Company's capital structure. Premature redemption of the preference shares will allow the Company to optimize its financial obligations, leveraging proceeds from the fresh issue of preference shares. Due to the losses incurred in the company the company is proposing the final settlement of the redemption of 10% Cumulative Convertible Redeemable Preference Shares (CCRPS) of nominal value of ₹50/- each at Rs. 53/- per share only and 13.50% Cumulative Redeemable Preference Shares (CRPS) of nominal value ₹10/- each at final settlement amount of Rs. 12/- per share only.

Approval Required

In addition to the approval of the preference shareholders, the resolution is subject to obtaining the consent of equity shareholders as required under Section 48 of the Companies Act, 2013.

Board's Recommendation
